

Jamaa Letu  
Means  
“Our Family”

---

The HFCA & people of  
the Pacific Northwest  
Conference of the  
United Methodist  
Church have committed  
to the care of the  
children at the  
Jamaa Letu Orphanages.

## Sponsorship Program

Our sponsorship program supports the operating expenses of the orphanages.

Expenses include food, clothing, school fees, utilities and the salaries of the housemothers.

Jamaa Letu I can be home to 40 girls, and Jamaa Letu II can be home to 24 boys. They range in age from infant to 18 years old.

Each child has support from more than one sponsor, and the funds are pooled to benefit all of the children.

## Emancipation Support

Our commitment to the children does not end when they reach 18 years of age. We provide the opportunity for you to continue supporting a child you've watched grow up, or a new opportunity to aid in the emancipation of a young adult. They have no other way to pay for ongoing education, or trade school tuitions as they move towards independence. Please consider making a four year commitment to help them achieve their goals.

Matthew 18:5

*Whoever welcomes one such child in my name welcomes me.*

**Annual Sponsorships are \$493.00**

**Annual Emancipation support is \$500.00**

- Sponsors will receive a photo and information about the child or young adult.
- Sponsors may be individuals, small groups, or your whole church!
- Your pledge may be paid one time, or in installments.
